Construction Technology Center Naming Opportunities

Naming rights afford you and/or your company the opportunity to increase your visibility, invest in Wyoming's young people, and establish or maintain your legacy for decades to come. The new state-of-the-art Construction Technology Program at Eastern Wyoming College (Douglas) is a Wyoming solution worthy of your support.

You're invited to help Eastern Wyoming College build the future.

Visionary

\$100,000+

Pacesetter

\$50,000+

Ambassador

\$25,000+

Champion

\$10,000+

Leader

\$5,000+

Partner

\$1,000+

Expanding the Douglas campus with a 9,000-square-foot Construction Technology Center at Eastern Wyoming College comes with a price tag of **\$7.1 million**. Between grants and local commitments, **nearly 90% of the project cost has already been raised!** The Eastern Wyoming College Foundation invites you to join in building a regional hub for workforce education. Naming opportunities are available for key areas within the facility, providing donors a meaningful way to invest in the future of construction education in Wyoming.
